

MEMBERSHIP SECRETARY REPORT 2024 – 2025

The Society had 106 members in 2024/2025. We now have 108 members. At renewal several members did not renew, some for personal reasons. These former members are hoping they will be in a position to renew in our coming season. However, we have 12 new members giving us our total of 108 members.

May I make a plea to members when renewing that you do notify me and send the renewal form to me. We need this form each year because of Data Protection.
